Dear Ms Masemola

BROADBAND INFRACO: REQUEST FOR EXTENSION OF TIME FOR SUBMISSION TO PROPOSED ICT POLICY REVIEW FRAMING PAPER

Broadband Infraco (SOC) Limited kindly requests an extension of one week to provide your office with its written submission in relation to the Proposed ICT Policy Review Framing Paper ("the Framing Paper").

Our request is based on the following:

1. We are of the view that due to its significant reference to the Constitution of 1996, the Framing Paper does not contain sufficient structure that ties its policy objectives to the constitutional principles it seeks to espouse.
2. Furthermore, this lack of structure will result in the absence of a common thread of how constitutional principles link the various ICT policy objectives together in a coherent fashion.

We would be most appreciative of such an extension.

Kindly revert to us with your response to our request at your earliest convenience.

Best regards,

Phatang Nkhereanye
